Atlantis – Paradise Island, Bahamas

Just a few hundred miles south of the Florida coast sits a Bahamian island where everything is easy. Crystal blue waters, warm breezes, and breathtaking scenery make Paradise Island the perfect escape from everyday life.

The Atlantis Resort on Paradise Island is the finest resort on all of the Bahamas' 700 islands. Inspired by the lost continent of Atlantis, the resort operates on a grand scale with a 50,000-square-foot casino, endless beaches, and a marine habitat said to be the largest in the world.

Cuisine

Atlantis offers several fine dining options, including the Bahamian Club, Café Martinique, Carmine's, Fathoms, Chop Stix, Nobu, Seafire Steakhouse, and Casa D'Angelo. With such a wide variety of gourmet, casual, buffet, and express restaurants to choose from, you're sure to find a meal to make your mouth water.

Spa

Step into a world of tranquility at the Mandara Spa, where you can relax your mind and body with a luxurious massage, facial, seaweed wrap, or aromatherapy treatment. Using natural health products and exotic oils, the spa services are designed to rejuvenate your spirit with a truly memorable experience. Visit one of the tea pavilions for a Japanese tea ceremony, or experience the “Talking of the Waters,” which includes sauna, steam, cold plunge, hot whirlpool, Asian showers, and chaise lounges.

Golf

18 holes have never looked so beautiful. With magnificent ocean views like those you'll see at the Ocean Club Golf Course, you'll never want to play on a regular course again. This par 72 championship course designed by Tom Weiskopf spans more than 7,100 yards of breathtaking beauty. Finish your game with a trip to the Pro Shop and a drink in the Clubhouse, and your championship golfing experience will be complete.

Casino

Come ready to place your bets at the Caribbean's largest and most exciting casino. Spanning seven acres, the Atlantis Casino features nearly 100 table games, including Roulette, Craps, and Blackjack, and more than 800 slot machines – all underneath hanging life-size Atlantean vessels. The casino recently underwent an 8,000-square-foot expansion that added areas for high limit tables and slots, as well as a two-story nightclub.

Marine habitat

Atlantis boasts a vast open-air marine habitat that spans 34 acres and houses more than 50,000 sea animals. With 11 lagoon exhibits and more than 250 different species, it's easy to see why this habitat is known as “second only to Mother Nature.” To get up close and personal to some of these animals, take a ride on one of the resort's many water slides or rides - The Leap of Faith sends you straight down a six-story drop in a clear tube that lets you see deep into the shark-filled pool.
