

Effective immediately and until further notice, we are suspending sales of Legacy Shield in the state of Texas.

Although the Texas Insurance Department previously approved the product, they are now requiring changes

to the contract. Be assured, Phoenix's product and state filing experts are working closely with the Texas Insurance

Department in an effort to resolve these issues as quickly as possible. In the meantime, we cannot honor any sales

of Legacy Shield in Texas. All applications, forms and illustrations are no longer available for Legacy Shield in Texas

and will be removed from our web portals.

Thank you for your understanding. We will keep you informed as developments occur. If you have immediate

questions, please contact the Phoenix Sales Desk at 888-794-4447.

Producer Use Only. Not for use with the public as sales literature.
